Serious Charge Against a Cap-  
tain.

Harry Randall, captain of the steam-  
er Wakefield, was arrested on this morning  
by Alexandria officers charged with  
causing the death of William Crawley,  
colored, a hand on that steamer, last  
night while the boat was at Washington.

Lieutenant Smith was notified of the  
occurrence by Capt. Boardman, of the  
Washington police department, and  
when the steamer reached this city Offi-  
cers Beach and Gill boarded the boat  
and approached Randall, who refused to  
accompany them without they produced a  
United States warrant. Officer Gill tele-  
phoned to the station house for instruc-  
tions, and Lieutenant Smith, after con-  
sulting with Commonwealth's Attorney  
Brent, proceeded to the wharf with Of-  
ficers Knight and Sherwood and searched  
the steamer for the accused. Randall  
was still averse to accompanying the  
officers, but finally complied with their  
demands. He was in a confused con-  
dition, and asserted that Crawley fell  
overboard; also that the dead man at-  
tempted to clean up the steamer, but  
when asked to give details was unable or  
indisposed to comply with the request.  
Sergeant Deane and Officer Cooper, of  
Washington, later arrived here on the  
police boat, and subsequently Detective  
Tysor reached here. Randall announced  
his readiness to accompany them and  
they having placed him aboard the police  
boat took him to Washington. One  
version of the affair is to the effect that  
the drowning was the outcome of previ-  
ous trouble between Randall and Craw-  
ley, and it is said that the former made  
an attack upon the colored man last  
night, and that Crawley, fearing he  
would be killed, jumped overboard to es-  
cape from his assailant. It is said by  
some, however, that Randall knocked the  
colored man overboard. The body of  
the colored man was recovered this  
morning.

## The New Ferry.

Mr. John Callahan, general manager  
of the Norfolk and Washington Steam-  
boat Company, has returned from New  
York, where he went to look for a dou-  
ble-end boat for temporary service on the  
route between this city and Washington,  
while the new steel boats are in process  
of construction. Mr. Callahan saw a  
steamer there suitable for the service  
and entered negotiations for the purchase  
of the boat, but the negotiations are still  
pending. The boat, it is understood, is  
a large one and in every way suitable for  
efficient service. If she is purchased she  
will be used as an auxiliary steamer when  
the new boats are completed and in ser-  
vice.

The work on the new slip at this place  
is still being prosecuted vigorously.  
Piles have arrived, as well as most of  
the other materials needed. The ferry  
house has been removed north to a point  
within about seven feet of the building  
line of King street. The former site has  
been filled in and the approach to the  
boats is in an advanced stage. When it  
shall have been completed the same will  
be paved with vitrified brick and a shed  
erected over it.

## Mr. Caton.

The legislative situation in Alexan-  
dria city and county is becoming ex-  
tremely interesting. When Hon. Jas.  
K. Caton announced himself a candi-  
date for the Lieutenant-Governorship, it  
was accepted as a declaration that he would  
not be a candidate for re-election to the  
House of Delegates. Mr. George R.  
Boteler, of Alexandria county, then an-  
nounced himself for the House, and this  
announcement was followed in due season  
by one from Mr. John H. Trimyer, of  
Alexandria city. It is also said that Mr.  
Charles Bendheim, who several years  
ago represented the city and county in  
the House of Delegates, will also be a  
candidate. After Hon. J. Taylor Elly-  
son declared himself a candidate for the  
Lieutenant-Governorship, Mr. Caton  
withdrew as a candidate for that office.  
He did not feel at liberty, however, to  
antagonize those who had announced  
themselves for his old position as repre-  
sentative, and thus finds himself, by a  
peculiar combination of circumstances,  
retired to private life. Mr. Caton is a  
man of much ability, and will doubtless  
be heard from in future contests.—[Fair-  
fax Herald.

Baptism services will be held at the  
Baptist Church tomorrow night after the  
regular service.

## More Heavy Rains.

Yesterday's heat was followed toward  
the close of the day by cloudy condi-  
tions and later by a succession of heavy  
showers of rain. There were lightning  
flashes and muttering thunder for over an  
hour before rain fell. About half-past  
eight o'clock the wind suddenly veered  
from the south to the northwest, and the  
clouds which had been emptying them-  
selves north and west were wafted over  
this city. One of the river steamers  
had landed a large party of excursionists,  
most of whom were women and children,  
and there was a hasty scampering in every  
direction, some heading for their homes  
and others for nearest sheltering places.  
The rain continued with occasional lulls  
until nearly eleven o'clock. There was  
considerable vivid lightning and thunder.  
Dispatches from many places north and  
west of Alexandria represent the storm  
as having been severe and in some in-  
stances considerable damage followed.

## Body Identified.

There is now no doubt as to the iden-  
tity of the body of the man found in  
Burkhart's woods, near Jessup, Md.,  
on July 5. Evidence secured yesterday  
shows that the unfortunate man was Job  
Archer, an employee of the Old Domi-  
nion Glass Works, of this city. The  
clue which led to the identification of the  
body was an envelope, found near the place  
where the body was discovered, addressed  
to Job Archer, esq., Alexandria, Va. A  
Archer was about 36 years old and was a  
glassblower. He boarded with Mr.  
Reeves, at Fairfax and Montgomery  
streets, in this city. On June 10th he was  
given his wages by the Old Dominion  
Glass Company and on June 15 he left  
this city, since which time nothing has  
been heard from him. The manner in  
which Archer came to his death is still a  
mystery. When he left this city on  
June 15 he had \$40 in cash in his pocket.  
He was married and has a little daugh-  
ter. His wife resides in Philadelphia.

mac Lodge, No. 38, I. O. O. F., held  
last night, the following officers were

Brunner, of Falls Church, assisted by  
Past Grand Master D. R. Stansbury and

urer; Edgar Lyles, Chaplain; W. W.

S.; Chas. R. Davis, R. S. to V. G.;  
Harry Arnold, L. S. to V. G. The  
lodge was reported in a good finan-  
cial condition with a membership  
of one hundred and fifty-five mem-  
bers.

## Killed by a Train.

Roscoe E. Underwood, about seven-  
teen years old, son of Mr. John Under-  
wood, who formerly resided on south  
Fairfax street in this city, was struck  
by a train and killed in Washington last  
night. The unfortunate youth was em-  
ployed as a messenger by the Pennsylv-  
ania Railroad Company and was on the  
train known as the "Annex" and  
stepped off to the southbound main track  
under the Pennsylvania avenue bridge  
and was struck by a passenger train.  
He was injured about the head and back.  
He was taken to the Providence Hospi-  
tal in a laundry wagon of the Pullman  
Car Company and died shortly after his  
arrival. His father was in this city to-  
day making arrangements for having the  
remains interred here.

## Police Court.

The following cases were disposed of  
this morning:  
Bertie Grigsby, colored, arrested by  
Officer Arrington charged with stealing a  
gold ring, was fined \$5.  
James Griffin, jr., arrested by Officer  
Patterson charged with vagrancy, was  
sent to jail for 30 days.  
Herbert Hansborough, arrested by  
Chief Webster charged with assaulting  
Harry Daniel, was dismissed.  
Samuel Smith, Logan Smith and  
Robert Saunders, all colored, charged  
with disorderly conduct and fighting,  
were fined \$5 each. Charles Gray and  
W. H. Skinner, also colored, charged  
with similar offenses, were dismissed.

## Death of J. Owen Kerby.

Mr. J. Owen Kerby died at his home  
in Fairfax county last night. The de-  
ceased had for some time been a sufferer  
from a complication of diseases. He was  
in his 69th year, and leaves eight chil-  
dren—three sons and five daughters.  
Mr. Kerby was a native of Maryland,  
but during the past forty-three years had  
resided in Fairfax county, having lo-  
cated there in 1862. For a number of  
years he was a Justice of the Peace for  
Fairfax county. During his long resi-  
dence in this vicinity he had become  
well-known to most Alexandrians, as he  
made frequent visits to this city. The  
funeral will take place tomorrow after-  
noon from Grovelton Chapel, and the in-  
terment will be at Woodlawn.

Made Weapon From Lead Pipes.

That "Big Casey," who is in jail in  
Manassas awaiting trial charged with  
breaking into the National Bank at Ma-  
nassas last fall and who was indicted by  
the federal grand jury in this city last  
Monday, is a man who will bear watch-  
ing by Sheriff F. C. Korabough of an ug-  
ly-looking instrument and a letter of ex-  
planation from George H. Rucker, clerk  
of Alexandria county, in which he says  
that the lead of which the weapon was  
made was scraped from the pipes in the  
jail.

## The Market.

The market this morning was toler-  
ably well supplied with country produce,  
and prices had undergone no marked  
changes from those of last week. Toma-  
toes, however, becoming more plentiful  
and lower in prices. People from lower  
Fairfax county who were in market this  
morning say the recent rains have swollen  
the streams considerably and that the  
water is "awash with the Acotink  
bridge."

## Directors Chosen.

At a recent meeting of the board of  
directors of the Alexandria National  
Bank Mr. Lewis P. Summers, the col-  
lector of internal revenue for this dis-  
trict, and Mr. W. S. Andrews, the su-  
perintendent of the Washington division of  
the Southern Railway, were elected  
members of the board. Mr. Summers  
takes the place of the late George R.  
Hill.

CHOLERA INFANTUM.

Child Not Expected to Live from One  
Hour to Another, but Cured by  
Chamberlain's Colic, Cholera and  
Diarrhoea Remedy.

Ruth, the little daughter of E. N.  
Dewey, of Agnewville, Va., was seriously  
ill of cholera infantum last summer.  
"We gave her up and did not expect her  
to live from one hour to another," he  
says. "I happened to think of Chamber-  
lain's Colic, Cholera and Diarrhoea  
Remedy and got a bottle of it from the  
store. In five minutes I saw a change  
for the better. We kept on giving it  
and before she had taken the half of one  
small bottle she was well." This remedy  
it for sale by Gibson and Timberman and
